RACING DATES CONTINUOUS

SUSPENSION OF NEW YORK RACING WILL BENEFIT OTHER LOCALITIES.

No Break for Months to Come in Meetings Already Scheduled in the United States, Canada and Mexico.

Even though racing on the New York tracks ceases on the last day of this month, as has been officially announced to be the intention, leaving about two and a half months of the eastern racing schedule of 1910 unused, there will still be much racing in America to keep horsemen busy for an indefinite period. At present racing is being conducted in this country at Saratoga, N. Y., Butte, Mont, and Cheyenne, Wy. The last-named meeting is on an exceedingly modest scale, being the inaugural attempt to establish the sport in that locality. The Saratoga meeting is on an elaborate scale and bids fair to furnish the most brilliant racing of the entire year, the cream of the borses in training in America being engaged. Racing at Butte was firmly established in the days of the late Marcus Daly and the sport has ever since flourished there. The Cheyenne meeting will come to a close August 13 and the Butte meeting on August 27, but horsemen who are racing in the Inter-mountain region will have further opportunities inasmuch as a meeting at Anaconda from August 30 to September 14, a meetling at Danver from September 3 to September 17, the fall meeting of the Utah Jockey Club at Sait Lake City, September 17 to October 22, and a meeting at Ogden for which dates have not yet been assigned will virtually consume all the time prior to the opening of the regular winter meeting at Oakland, Cal., which is scheduled to begin Saturday, November 12, and probably will continue for 150 days, bringing its closing date in April of 1911.

In the east there will be continuous racing in Canada from August 13 to September 7, inclusive, at Hamilton, Fort Eric and Windsor, all of which tracks are bound to have excellent meetings. The remaining dates in Canada this year include Montreal, September 10-17; Woodbine track, Toronto, September 10-17 and October 8-15.

Then there will be two months or so of racing in Kentucky the conning fall, beginning in mid-September, Meetings will surely be held at Louisville and Latonia, and there probably will be

the time for the opening of the long terms of winter racing at Juarez. Mex. Jacksonville, Fla., and Pensacola-Tampa, Fla., which tracks will recruit their raching material largely from the middle west and Canada.

Fall racing in the east will embrace the inaugural twenty-days meeting of the Southern Maryland Racing Association at Marlboro, Md., a point which is readily accessible to the populous cities of Washington and Baltimore, from September 26 to October 18, together with the regular fourteen-days meeting at Pimileo, Baltimore, October 15 to October 31, and a meeting at Jamestown, Va., for which dates have not yet been assigned.

The winter meeting of the Florida Live Stock and Agricultural State Fair Association will begin on November 15 and will continue for 100 days, and the Tampa-Pensacola tracks will provide 120 days of the Jockey Club Juarez will occupy 160 days and probably will open on Thanksgiving Day. The four extended winter meetings already scheduled will enable horsemen that so desire to race their horses continuously until the time arrives for the spring meetings of 1911, all of which goes to show that even with New York temporarily eliminated from the racing schedules horsemen will still have abundant opportunity for following their favorite sport. One of the effects of the suspension of New York racing will be to increase the importance of the sport at other points, notably in Kentucky, Canada, Maryland and Virginia. All of the tracks located in the territory referred to will probably derive a direct benefit from the mfortunate suspension of racing on the metropolitan circuit.

PENSACOLA TRACK UNDER CONSTRUCTION.

Pensacola, Fla., August 6.—Preparations are going on steadily for the erection of the buildings on the acreage recently acquired for the track of the New Pensacola Fair and Racing Association. A canvass of the business men of this city shows keen interest in the venture and the prospects for a successful session of the sport here this fall and next spring are flattering. J. U. Strode, who will have full charge of the racing, contemplates a meeting on broad lines and will have the hearty co-operation of prominent horsemen.

According to present arrangements racing over the new track will be inaugurated at the Tri-State Fair late in September with a series of trotting, pacing and running events, to be followed immediately by the regular running meeting of thirty days. After the close at Pensacola, the horsemen will be afforded opportunity to try for purses at Tampa for sixty days, beginning January I, and then will return for thirty days more at Pensacola. This will afford patrons of the Strode tracks 120 days of continuous racing.

It is intended to have the new plant fully complet-

trons of the strong traces.

It is intended to have the new plant fully completing the fore October I and with this in view a big force workmen is engaged in the construction work. Iready 75,000 feet of lumber have been delivered at the construction of the grandstand, betting ring ad stables, and probably as much more will have be used.

for the construction of the grandstand, betting ring and stables, and probably as much more will have to be used.

Mr. Strode is enthusiastic over the prospects for a successful season of racing here and has already received assurances from a number of horsemen that they will ship their stables to this city and afterwards engage in the racing at Tampa,

NEW TRACK FOR MONTREAL.

Saratoga, N. Y., August 6.—J. T. R. Laurendeau, president of the King Edward Park Company of Montreal, has had a representative here to notify horsemen that a new race course has been completed on Isle Grubois, which lies in the St. Lawrence River a few miles below Montreal. The grandstand, which is completed, seats 6,000 persons, and the situation is ideal. If horsemen show an inclination to participate a seven-days meeting will be held there this fall, and if the time for arranging such a meeting is too short the opening will take place next spring. The King Edward Park Company is made up of prominent and wealthy Montrealers, who purchased a magnificent island and are spending hundreds of thousands of dollars. There are good wharves, ferry boats, hotels, baths, an aviation field, an athletic field, zoological gardens and an aquarium, besides several miles of anusement features. It has been decided to have attractive stakes and no purse of less than \$400. Officials recommended by the Jockey Club of New York will be the only ones employed. The question as to whether the opening will take place this fall or next spring will be decided within the next ten days.

EARNINGS OF EIGHT VETERAN EQUINE ARISTOCRATS

Of horses six years old and over that have raced this year a good eight stand out pre-eminent in rect to money won in the course of their racing. Of the eight Ballot had won up to the first of August imposing total of \$\frac{154,545}{2}\$, giving him fourth place among the great money-winners of the American f. Those winning more are Domino, \$193,550; Sysonby, \$184,438, and Colin, \$180,912. It is illustrative spect to money won in the course of their racing. Of the eight Ballot had won up to the first of August the imposing total of \$154,545, giving him fourth place among the great money-winners of the American turf. Those winning more are Domino, \$103,559; Sysonby, \$184,438, and Colin, \$180,912. It is illustrative of the singular good fortune of James R. Keene as a turfman that each of these four great money-gahers raced as his property and reaped their carnings for him. Although unlucky in England last year, Ballot is unquestionably a horse of the highest class and it is more than probable that his ill fortune across the water was largely due to Sam Darling's failure to understand the horse and train him as James Rowe would have done.

Next to Ballot among the veteraus comes Montgomery with \$74,540, a regular smasher when a three-vear-old, winner at that age of the Crescent City Derby, Jockey Club Weight-for-Age Race, Commonwealth Hondicap, Broadway Stakes, Baychester Stakes and of the Burns Handicap when a four-year-old with the highest weight ever carried successfully in that chief of California races—128 pounds. A stayer and a thoroughly game horse, Montgomery has declined somewhat in speed, but is still able to win good races and likely to continue so for some time to come.

But little behind Montgomery in winnibe is Berney Schreiber's pride, Jack Atkin, with \$73,110 to his credit. Next to Roseben, Jack Atkin is the Lest sprinter of recent years and as capable of doing a mile at the carried of the still all the still and the still dear the still declared some price of the still all the still have read and the still all the still have run away from a year ago. It is said that he will be retired to the stud at the end of this year, a boon he has richly earned.

Another Schreiber-bred veteran is fourth in this list of six, being the 1907 Suburban Handicap winner, Nealon, and one of Sain's best sons. A horse of slow development, Nealon was no more than an ordinary two-year-old, but was a good three-year-old and as

CONDENSED HISTORY OF THE KENTUCKY STAKES

The Kentucky is one of the old-timers in the Saratoga stake list, having first been run in 1870, when it was won by the afterwards famous Harry Bassett. When fully matured and at his best Harry Bassett was one of the best race horses ever seen and few races ever run in this country evoked more widespread interest and excitement than his two intersectional contests with Longfellow in 1872, the first at Monmouth Park, which Longfellow wen, and the second at Saratoga, in which Harry Bassett was victorious. For its first seven years the Kentucky was a mile dash for two-year-olds, from which distance it was cut down to three-quarters of a mile and later on to its present five and a half furlongs route. It is a race of interesting history and its record is as follows:

SURPRISES AT SARATOGA

SIR JOHN JOHNSON WINS DELAWARE HANDI-CAP AND MASKETTE IS UNPLACED.

Beverwyck Stable's Representative Beats Stanley Fay a Head-Textile Scores at Lucrative Odds in the Hurricana Stakes.

Saratoga, N. Y., August 6.—It was a big half-holiday crowd that turned out at Saratoga this aftermoon and many New Yorkers who delayed their visit until the end of the week saw Sir John Johnson win the Delaware Handicap and Thomas Monahan's Textile take the Hurricana, for two-year-olds, which latter is a new stake on the Saratoga Association's list. Each of these victories came in the nature of a surprise, but each race furnished first-class sport and that atoned somewhat for the failure of the favorites. Though the morning broke decidedly cool for August and there were huge banks of clouds that threatened a downpour at any time, before post time for the first race the skies cleared nicely and conditions were ideal for outdoor sport. The track was in better condition than at any time since the opening day, but it was still cuppy from recent rains. The Hurricana was the most important race in point of value, being worth \$9.700 net to the winner, which makes it truly important among the races of the season. It is a five and a half furlongs dash for two-year-olds and is named for General Stephen Sanford's breeding farm at Amsterdam, N. Y. It was the first running of the Hurricana, though it is promised that it will continue a feature of the Saratoga season in years to follow. An even dozen went to the post in the Hurricana and of the lot Richard F. Carman's Semprolus, winner of the Flash Stakes on the opening day, was-made favorite, though as good as 16 to 5 could be had against his chances. Special Brew was another that was fancied and Meridian and Belmont's pair, Footprint and Whist, came in for liberal support. The race was a good one from start to finish, but some infortunate crowding on the first turn resulted in Meridian being badly knocked back when he was fancied in the proper of the special second of the purse.

Meridian being badly knocked back when he was running in second place and it is probable that the interference prevented his securing a share of the purse.

Semprolus, in spite of his heavy impost of 130 pounds, was the one to cut out the pace and Shack-leton, a colt that has been showing keen speed in all of his races, went along with him. It was just when Shackleton made his rush that Meridian was knocked back and it appeared that he was the one that interfered with C. L. Harrison's starter. Textile had broken none too well, but jockey Knapp was working him through the field gradually and it was early apparent that he would cut an important figure in the result. At the head of the stretch August Belmont's Whist moved up with a rush, but just when he loomed up dancerously he went wide. By this time Semprolus was plainly tiring from his carly effort and. Textile, cutting a corner into the stretch, came with a rush that was irresistible. Both Semprolus and Whist fought along gamely, but the Monahan colt had plenty left and at the finish he had half a length to spare and was going away.

The real surprise of the day came out of the running of the Delaware Handicap and ft was not so much the winning of Sir John Johnson as it was the defeat of James R. Keene's Maskette, the best filly in the stable of the vice-chairman of the Jockey Club and an odds-on favorite for the race. She had been working exceptionally well for trainer James Rowe and he was entirely confident that she would be the winner. Stanley Fay was second choice in the market on account of his good race belind Olambala in the Saratoga Handicap, and Sir John Johnson was next in demand, though plenty of 8 to 1 was offered against his chances.

It was seen during the parade to the post that Maskette was slightly lame, but little attention was paid to that fact for the reason that she supposedly outclassed her company and the lameness did not appear to be acute. When the break came Sir John Johnson jumped into the lead and Notter permitted was not herself.

He could have won by a greater margin had he so desired.

The North American Steeplechase went to Aunt Jule easily. She was rated behind her company for a turn of the course and went to the front when called on to win with plenty to spare. To a false start before the race every horse in the field with the exception of Stoure went over three of the fences. In the running of the race. St. Falsenay, an added starter, steeped in a hole in the back field and, falling, broke two of his legs. Fortunately jockey Allen, who rode him, was not seriously hurt, though it was found necessary to destroy the horse.

J. F. Ryan, director of the Canadian National Bureau of Breeding, has been here for a few days soliciting stallions for the work of the organization in which he is so active. R. F. Carman donated the well-bred horse. Terah, by Abe Frank—Charm, to the bureau, He had previously contributed Rosemount and Acrobat to the organization. Mrs. L. A. Livingston, S. C. Hildreth, G. R. Tompkins, W. F. Presgrave, Barney Schreiber, George Whitney, T. C. McDowell and others have promised horses, and this will probably be Mr. Ryan's most successful trip.

"The National Bureau has caught on all over

Livingston, S. C. Hildrein, G. R. Tompkrins, W. F. Presgrave, Barney Schreiber, George Whitney, T. C. McDowell and others have promised horses, and this will probably be Mr. Ryan's most successful trip.

"The National Bureau has caught on all over Canada." said he, "and has also created interest abroad. The visit of General Sir John French to Canada this year was a good thing for us. He examined many of the horses and reported favorably on the work. We expect a shipment of stallions from England in October, and about the same time there will be a private consignment of fifty broodmares in foal to such stallions as Flying Fox, Arlzona. Engarde, Collar. Pride and other well-known sires. The bureau foals this season are especially fine and farmers are well pleased. There are about 709 foals this year, and the 1911 crop is expected to exceed 2,000."

Indications are that the officers' race, a feature of the present Saratoga season, will be contested by a field of twelve or fourteen horses. J. S. Healey is training a pair that are already on the ground from Fort Riley, Kan. Four are on the way from Fort Ethan Allen, two will come from Fort Thomas, Ky., two from the Washington Barracks, two from Fort Myer, one from the School of Construction and at least one from Fort Oglethorpe, Ga. This lastnamed fort has the distinction of keeping up a pack of hounds, probably the only military pack in the country. General Leonard Wood is heartily in accord with the race, and is lending bis aid to make it a success. With General Carter and General Grant he will be a specially invited guest of the Saratoga Association to witness the running. Race discontinued from 1895 to 1901. *Distance reduced from 3-4 mile. †Distance reduced from 1. Was stake for two-year-olds until 1901.

NOTES OF THE TURF.

Jockey George Mountain has joined the J. T. Ire and stable at Saratoga.

W. P. Fraser, secretary of the Ontario Jockey Club, was a visitor at Saratoga on opening day. Firestone's misbehavior at the post in the Sara toga Handicap led to his being placed on the school fug list.

William Walker's Orcagna bowed a tendon in his last race at Yonkers and has been turned over to Frank Herald.

Frank Herald.

Thomas Clyde's good three-year-old, Dalhousie, has been shipped to the Clyde farm in Maryland, having spread a foot in his last start in Canada.

James E. Gaffney's Alfred Noble, which went wrong in a race at Sheepshead Bay last month, will be converted into a jumper under the direction of Edward Peters. Mr. Peters is meeting with success in an effort to train T. S. Martin, which good jumper broke down last year.

Richard Croker's great mare Blockers reports

Richard Croker's great mare, Rhodora, winner of the English One Thousand Guineas of 1908, was sent to the stud last year but proved to be barren She is being trained in Ireland and will, if she stands the work, be raced again. A long rest has made Rhodora quite sound.

made Rhodora quite sound.

"Butch" Fisher will train the stable of George M. Yan Gorden at Oakland during the coming season. Fished handled Wheel of Fortune and other good racers and is one of the best-known trainers in California. He will take up the Yan Gorden string at the farm at Walnut Creek in about a week. There are seven in the stable, including four two-year-olds. Miss Roberts and two yearlings. Robert Hurst, Welakao, Eddie Mott and an Orsini colt are two-year-olds. The yearlings are a brother to Miss Roberts and a filly by General Roberts—Motto, formerly a well-known racer on California tracks.

BREEDING BUREAU WORK COMMENDED.

Montreal, Que., Angust 6.—The National Bureau of Breeding has received word from General Sir John French from England stating that he was greatly impressed with the work of the bureau during his recent trip through Canada. General French is director-general of the imperial forces and the greatest cavalry authority in Europe. He agrees with the bureau's contention that the only way to get cavalry horses is by means of the thoroughbred sire, and so interested is he in the work that he has premised to ask King George V to donate a throughbred to the Canadian bureau.

On his recent trip through Canada he inspected bureau sires at different points from Halifax to Vancouver. Among the horses he inspected which are well known to racing men were Logan, Javelin, Fort Hunter, Ostrich, Sea Horse, Blue Coat, Masterman, Rosemount, Earl Rogers, Valjean, Call Boy, Oraculum, Senator Clay, Loricate, Bushmount, Edwin Gum, Athel, Vance Guard, Gangway, Nashwaak, Kid, Samuel H. Harris, Botanist, Acrobat, Clements, Baird, Our Boy, Zipango, King Cole, Kirkfield, High Dance, Schroeder's Midway and others.

He was present at the Alberta Provincial Fair at Calgary when the bureau stallion Mellvain, donated by J. C. Ferriss, of Nashville, won the blue ribbou from fourteen other thoroughbreds and the gold medal for the championship of the fair. This was a particularly noteworthy victory, for there are more good thoroughbreds around Calgary than at any other point in the west.

The National Bureau will exhibit perhaps four sires at the New York show this fail.

NO LOSS AT EMPIRE CITY.

The Empire City meeting did not result in financial loss, according to President James Butler. There were no profits either, but Mr. Butler says that does not matter. The fact that horsemen received all that was coming to them and that racing was kept alive for the benefit of many persons who depend upon the sport for a livelihood reflects credit upon Mr. Butler and his associates, turfmen say. The authorities of Westchester County enforced the law to the letter, yet at no time were they compelled to make an arrest. Empire City therefore has shown conclusively that it can provide racing without dis-

NINE WEEKS OF RACING FOR KENTUCKY.

Lexington to Ask for Opening Week of Fall Season Beginning September 19.

Lexington to Ask for Opening Week of Fall Season.

Beginning September 19.

Lexington, Ky., August 6.—No applications for dates for fall racing at any of the Keutucky tracks have been made as yet to the Keutucky State Racing Commission, but it is generally understood that it is planned that the season shall open here September 19. Secretary Garret D. Wilson said today that it is the sentiment of the directors of the Kentucky Association that a fall meeting of six days, beginning on that date, be given at the local track and that the directors will meet next week to authorize the meeting and to make applications for dates. The rules of the Kentucky State Racing Commission require that applications for dates. The rules of the Kentucky State Racing Commission require that gain plications for dates and that the directors will meet next week to authorize the meeting.

As to Louisville and Latonia nothing is positively known here, but it is presumed that Louisville will follow Lexington and that the season in Kentucky will end at Latonia sometime in November, probably about the ninetecenth. If this schedule is followed there will be nine weeks of racing before the movement to the whiter tracks in the south begins. With no racing in New York State after September 1 and none of account in Canada after Octiber 1, it is argued by thinking men of the turk here that Kentucky's on Statemary and that garnering to the fullest from this opportunity depends entirely upon the acumen and ilberality of the track owners. It is assumed as \$400 to every race and give an occasional \$1.600 handicap. This, it is argued, would draw many of the beek horses make the best racing; the best racing attracts a large attendance, and, perforce, more betting and, particularly under the heart-mutuel and auction pooling systems, more revenue to the track owners.

It is maintained that in framing their programs for racing this coming fall the tracks should add as much as \$400 to every race and give an occasional \$1.600 handicap. This, it is argued, w

souri.

It behooves the turfmen and track owners of this state to study well the situation as presented for the coming fall and to get together all interests in uneffort to produce a period of the greatest sport that Kentucky has ever known. It will do much toward bringing about a reversal of the blighting sentiment that exists elsewhere.

STAKE RACING OF THE PRESENT WEEK.

Racing at Saratoga this week will be replete with the decision of interesting and valuable stakes, nine being set for running in the course of its six days. The Kentucky Stakes, for two-year-old fillies, will be run tomorrow, the names of the probable starters being published today. Tuesday has the Seneca Stakes, for three-year-olds, at three-quarters of a mile, with Big Stick, Billiard Ball, Martinez, German Silver, Ben Loy, Petronius, Chief Bartlett, Paul Davis, Galley Slave, Mexoana, Agnier and Gilby likely to furnish the field. One of the big races of the meeting for two-year-olds is set for Wednesday. This is the United States Hotel Stakes of the guaranteed value of \$6,000, but with such a big entry list that it will be of the value of near \$10,000. Footprint, Trap Rock, Silver Brush, Novelty, Blackfoot, Runnymede, Iron Mask, Lahore, Royal Meteor, Seth, Danger Mark and Naushon are among those likely to try conclusions over the three-quarters distance of this desirable event. The Albany Handicap, for two-year-olds, at three-quarters, and the Champlain Handicap, at a mile and an eighth, for three-year-olds and over, will be run Thursday. Babbler, Footprint, Whist, Special Brew, Bell Horse, Compliment, Semproles, Judge Monck, Colston, Royal Pennant, Meridian, Labore, Textile, Governor Gray, Royal Meteor, Zeus and Danger Mark are among the good ones in the Albany, and Fitz Herbert, Priscillian, Czar, Firestone, Dalmatian, Ballot, Hilarious, Maskette, Grasmere, Amelia Jenks, Van Den, Stalley Fay, Olambala, Prince Imperial, King's Daughter and Kingship are Champlain candidates.

The Schenectady Stakes, for mares and geldings three years old and over, at a mile, provides an interesting race for Friday. It is of \$2,000 value under selling conditions and has Asticot, Berkeley, Blackford, Big Stick, Question Mark, Taboo, Mary Davis, Dreamer, Twilight Queen, Restigouche, Wood-craft, Black Mate, Perry Johnson, Cohort, Gretna Green, Cruche d'Or, The Monk, Falcada, The Squire and Jupiter Joe in its big list of eligibles Racing at Saratoga this week will be replete with a decision of interesting and valuable stakes, nine

H. S., Cincinnati, O. The parlay of July 23 won as a place bet on Melisande and the Hildreth entry in the fourth race, being void as to Onager because there was no separate place pirce against him and a draw as to Hampton Court in the sixth race because he was scratched.

ANOTHER CUP FOR MONTREAL RACING.

Montreal, Que., August 6.—Several weeks ago Maj. William Hendrie, of Hamilton, intimated to the executive committee of the Montreal Jockey Club that it was his desire to donate a cup to the glub in memory of his father, the late William Hendrie, who was so prominent in the annals of racing in Canada. Major Hendrie was immediately notified of the acceptance of his offer, and the conditions for the event to which the cup has been assigned have been drafted. It will be a three-mile handleap steeplechase over a new course, with challenge conditions.

bave been drafted. It will be a three-mile handicap steeplechase over a new course, with challenge conditions.

Major Hendrie has always been a strong supporter of steeplechasing, and some years ago he and Colin Campbell had a stable of jumpers, consisting, among others, of such horses as Strathroy, Wild Thorn. Longbrook, Inverary, Scotch Reel, Strathelyde, Santa Cruz, Lockinvar, Royal Bob and Jim Lisle. During this period Mr. Campbell was thrice winner of the Montreal Hunt Cup, in 1894 and 1895 on Royal Bob, and again in 1900 on Jim Lisle.

The stable was raced with success for several years, and it was with it that Nat Ray, at one time the peer of all steeplechase jockeys in America, began his riding career.

The Hendrie Memorial will undoubtedly attract a large field of horses, for most of the jumpers in the country are being pointed for the Blue Bonnets meeting. There are a large number of 'chasers at the Saratoga track now and some at Belmont Park. These will be shipped to Montreal at the conclusion of the meeting at the former track and, together with those that are already racing on the Canadian circuit, will make the greatest collection of jumping horses ever seen in Canada at any one time.

HORSES ASSEMBLING AT HAMILTON.

Hamilton, Ont., August 6.—There are already a large number of horses here for the Hamilton Jockey Club meeting, which opens Saturday. August 13. Those at Fort Eric will be shipped to Hamilton this week owing to the postponement there and a number are coming from New York, including William Walker's. Everything is in readiness here, and the prospects are for a most successful meeting, the number of horses that will be on hand being equal to that of the spring meeting.

"RESULTS COUNT."

"Spring"—"Summer"—"Autumn" and "Winter" all bring me many "Complimentary" letters from men all over the "U. S." and "Canada" who use My Sure Shot Method "Successfully." The following letter was just received from a Subscriber at St. Louis, Mo.. It Says: Dear Mr. Sutton: Your Sure Shot Method is certainly the "real thing." I had tried twenty different Systems, but your Method is the only one I have ever found that would "Win" for me. I am glad we have at last a "Practical System" that will "Wim." I am always glad to get such letters, but I do not solicit them. I have made hundreds of friends with my "Sure Shot Method" and I will make a friend of you when you send for it. In playing the "Handbooks" it takes only a minute with the "Entries" to pick a safe "One Best Bet" every day. It instantly points out "One Horse" and "One Horse" only, and you always bet the same amount. "No handicapping" or figuring at all is required. If you are "Skeptical"—write to me—and I will convince you that everything I say is "The Truth." If you want to "clean up" from \$100 to \$300 a month playing the races with small capital at "Handbook" or "Poolroom" or "Track"—then send for my Sure Shot Method and learn the "Simple"—"Sensible" and "Practical" way to "Win." I show you how to take as little as \$25 capital and beat any "Handbook," and "I guarantce it." You "do not" need Prices or Scratches or Jockeys to beat the "Handbook," with My Method. All orders receive my personal and prompt attention. "My Complete Sure Shot Method" for "Handbook," and "Track" sent upon ree't of M. O. \$5.
